The allegations are reported to be mostly frivolous. A petition has been received that the enquiry has not been exhaustive and that a fresh enquiry should be instituted. Non matters relate to internal management and there need be a limit to an enquiry directed towards them.

As regards the allegations that certain Nair lands have been alienated it appears the true that some Nair lands have been so granted by the present Sarpanch and his predecessors and that steps are being taken to resume the free kandayam on the lands for the benefit of the institution. The report of the Court may be awaited.

Most Respected Sir,

We, the humble memorialists are the descendants of Syed Shah Jamaluddin Magrabi, the first Guru of Datha-three-peeta, situated on the Bababudian Hill in the Chikmaglur Taluk of the Kadur District. Khan Bhadur, Syed Ghouse Shah Khaderi, the predecessor of the present Sajjada was the eleventh successor of the first Guru, under whose managementwe were enjoying our hereditary privileges that have long been standing, since the time of the first Guru.

The present Sajjada is mismanaging and misappropriating the Jahgirs and the monthly allowance of Rs.100/- granted by the benign Government of Mysore, thus mixing the condition of the said Muzarai institution of Dattathree-peeta. In bearing out the facts we make bold to lay bare before you the following.------

(a) The Musafarkhana (Travellers' Bungalow) is --- levelled to the ground.

(b) The pilgrims are not provided with food as usual.

(c) The Nowbathkhana, which was maintained up to the death of the present Sajjada's predecessor, has been destroyed and the establishment abolished.

(d) The condition of the Musjid is too poor to mention; neither a votary is employed, nor a light is spared to speak in the name of the Creator, thus turning it the home of an

owl.

B I N G H A M.

Dean of Women,

T. Nicholas Hall, Chairman, M.Y., I.I.C.H., C.I.E.,

Dear Madam:

I am directed by the Executive Committee of the Binghamton Branch of the American Association of University Women to request that you appear before the Committee at the Y.W.C.A. building on Monday, October 15th, at 4:30 P.M. to discuss with us the question of the establishment of a Dormitory for Women Students at the Binghamton State Normal School.

Very truly yours,

Secretary.

(e) The Manager who is responsible for the management of the Institution and the accounts thereof has been disregarded.

(f) Accounts have thus been maintained in a false character to the will and pleasure of the present Sajjada; and the books as supplied by the Taluk Office Amildar for the entry of the accounts with his seal and signature have been thrown uncared for.

(g) No account of the money, jewels, animals and the many valuable things granted by the pilgrims, is being given to the Taluk Cutcherry in respect of the Rules.

(h) There are two kinds of Inam to the said Institution, the one the Surakappa Village is the Sarvamanya village and the other Dattathree-peeta Coffee Inam, which serve to upkeep and promote the condition of the said Institution. And the present Sajjada has disposed of many a portion of the said lands and the sale misappropriated.

(i) Although the villages are under the management of the Government, the present Sajjada applies for some lands under the cover of the support of the Institution. And when the putta is transferred in his name, he takes the advantage and makes over the same in the names of others.

(j) Generally, when the rainy season sets in--- from July to the end of October, no pilgrim visits the Institution but the present Sajjada makes an entry of false accounts and appropriates the monthly allowance of Rs.100/- from the Taluk Cutcherry.

(k) All the valuable things presented by the pilgrims are sold out and the sale proceeds lay in the pocket of the present Sajjada.

(l) Under the influence of ~~Syed~~ Mr. Syed Taj Peeran Saheb

(e) The manager who is responsible for the management of the institution and the accounts thereof has been fined or imprisoned.

(f) Accounts have been maintained in a false manner by the Trust Officer for the said Institution; or the books as audited by the Trust Officer for the said year disclose a shortage charged against the Bailiff, in being given credit of the accounts which are not supported by vouchers or have been disallowed for.

(g) In respect of the owner, lessee, building and the said Institution, the Trust Authority is not satisfied that adequate provision has been made for the safety of the occupants thereof in case of fire.

(h) Default has been made in payment of dues to the said Institution by the Trust Authority.

(i) Reason to and failing of dues to the said Institution, the one thousand Rupees deposited by the Bailiff, in being given to the said Institution, the other Rupees-three Lakhs and the Trust Authority is empowered to withdraw the said Institution. In which case the Trust Authority is empowered to withdraw the said Institution.

(j) Reason to and failing of dues to the said Institution, the one thousand Rupees deposited by the Bailiff, in being given to the said Institution, the other Rupees-three Lakhs and the Trust Authority is empowered to withdraw the said Institution.

(k) All the aforesaid things prescribed by the Pilgrims and sold out and the sale proceeds dealt in the pocket of the Institution and the accounts thereof has been kept by the Trust Officer.

(l) Under the provisions of Chapter VI of the Bombay Trust Act, 1950 from the Trust Corporation, the workable allowance of Rs.150\- per month to the said Institution and the Trust Officer, to whom the Trust Corporation, the workable allowance of Rs.150\- per month to the said Institution and the Trust Officer.

(m) Reason(s), which the Trust Corporation, the workable allowance of Rs.150\- per month to the said Institution and the Trust Officer.

(n) Reason(s), which the Trust Corporation, the workable allowance of Rs.150\- per month to the said Institution and the Trust Officer.

(o) The manager who is responsible for the management

Assistant Commissioner, whose widowed sister was married to the present Sajjada, the latter enjoys every frivolity of freedom, and no steps are taken by the authorities.

(m) The present Sajjada is always out of the station. He prevails upon rich and highly minded men such as Mr. K.Puttanna Chetty, the whole-time President of the Bangalore Municipality, for subscription very often. During his absence the whole affair of the management and the supply for the pilgrims is at a lull.

Under these circumstances, we, the petitioners pray that you may graciously be pleased to appoint Dharmadarsies for this big Muzarai Institution, in accordance with the proceedings of the Government. It is the largest in income among all the Mohemadan Muzarai Institutions throughout the Province. All the other Institutions are under the control of the Dharmadarsies, with the exception of this only Institution, which edifice shall soon give way over those Siren rocks of mismanagement and misappropriation. Further, we pray that till the arrangement is made, which we cherish a hope to come off at an early period, the monthly allowance of the Institution may be withheld and the Revenue of the Jahgir under the management of the Government may be kept as a reserve fund of the Taluk.

For which act of kindness we shall, as induty bound, pray for your long life and prosperity.

We beg to remain,

Most Respected Sir,

Your humble and grateful servants

received from Syed Mohadin Padsha and others complaining against the present Sajjade of the Bababudan Darga at Attigundi, Chikmagalur Taluk, I have the honor to submit herewith copies of the two reports Nos. 7 & 69 dated 20/22 August 1913 and 5/6 December 1913 respectively, received from the Chikmagalur Taluk Amildar containing in detail the results of enquiry held by him on the several allegations of the petitioners. It will be seen from the reports that the allegations contained in the petitions are frivolous.

2. The petitions received with your communications

under reply are all herewith returned and the vernacular file of papers bearing on the subject is also submitted for kind reference and return.

I have the honor to be,

Sir,

Your most obedient servant,

Deputy Commissioner,

ns Kadur District.

Copy of report No. 7 dated the 20/22 August 1913 from the Amildar of the Chikmagalur Taluk to the Deputy Commissioner of the Kadur District.

" With reference to your order No. 95/Canarese dated 11th instant , I beg to submit my report with regard to the enquiry conducted by me at the spot in respect of certain allegations of Syed Gouse Mohadin Shakhadri and seven others against the present Sajjade of the Bababudan Peeta detailed in their memorials submitted to His Highness the Maharaja of Mysore on the 5th February 1913 and to the Dewan Saheb on the 20th May 1913. Also petitions of Syed Shale Hussain Shakhadri to His Highness the Maharaja of Mysore and to the Dewan Saheb claiming for the post of Nazim or Agent of the above said institution.

2.1. The memorialists were severely enquired in the Taluk Office on the 14th April 1913 and 13th May 1913. Their statements have been recorded and are enclosed herewith for kind perusal.

2. The memorials as well as the statement of the memorialists were read over to the Sajjade. His statement has also been recorded in detail and is herein enclosed.

3. To ascertain the truth of the allegations of the memorialists, I visited the Peeta of Sri Gurudattatreya Bababudanswami on the 16th instant and halted there for two days.

4. From the enquiries made locally, I understand that the

the Sajjade has been managing the institution to the satisfaction of all pilgrims - both Hindu and Mahomedan). No complaint has hitherto been received from any of the pilgrims alleging that they are not being properly looked after when they visit the Peeta of Sri Gurudattareyaswami.

5. The Sajjade has maintained accounts with respect to the receipts and expenditure of the Peeta. These have been examined by the Muzrai Superintendent on more than one occasion. The last inspection was made by Mr. A.Subramanya Iyer, then Secretary to the Government in Muzrai Department on 26th March 1910. Besides, the Sajjade has been submitting regularly to the Taluk Cutcherry every month a statement showing the number of pilgrims that visit the Peeta of Bababudanswami and the expenditure incurred thereon.

6. To have an efficient check over these accounts I have instructed the Shekdar of Jagar Hobli that he should in the first week of every month check the accounts of the Peeta and submit his report as to their correctness to me within the 15th of every month.

I have also asked the Sajjade to send up his account books to the Taluk Office every half year in the months of June and December of every year so that a special report may be submitted to the Deputy Commissioner regarding the state of these accounts.

6. As regards the internal management of the Peeta, Viz, the appointment of a Nazim, or the distribution of the surplus of the

the fund among the several descendants of the Shakhadri family the Sajjade states that the appointment of Nazim is not a hereditary one, that it is left to the option of the head of the Peeta to appoint one when necessity arises, that there is at present no necessity for a Nazim, he has not appointed any Nazim and that he is himself looking after the duties of maintaining the accounts. etc. With reg rd to the division of the surplus of the Peeta fund, the Sajjade states that as contrary to the Government Order No. 59 dated 24th November 1902. As the ina m inquestion being Devadaya its income from all sources must be entirely and exclusively devoted for the up-keep of the institution and feeding pilgrims of all classes and creeds without any distinction whatsoever.

7. With regards the allegations of the memorialists stating that many of the Peeta buildings have been levelled to the ground, I beg to state that these allegations are untrue. During my stay at the Peeta on the 16th & 17th of this month, I inspected all the buildings and the roads which the Sajjade had specially opened for the convenience of the pilgrims. These were all in a satisfactory condition.

8. In conclusion, I beg to state that the present memorials are the outcome of some misunderstanding between the Sajjade and the other members of the family because the latter have now

now no hold in the affairs of the Peeta.

The memorialists want to enjoy a portion of the inam granted for the institution for their personal use which the Sajjade refuses to apportion on the authority of the Government Proceedings quoted above wherein the Government have decided that " the inams have been granted for the benefit of the institution and are enjoyed by the manager for the time being for rendering certain specific services therein. The division of the profits among several persons as shares is not in fulfilment of the object of the Devadaya grant and Government cannot give their countenanceto it. "

Chikmagalur.

Deputy Commissioner,
Kadur District.

Copy of Chikmagalur Amildar's report No. 69 dated 5/6 December 1913 to the Deputy Commissioner, Kadur District.

" In continuation of my report No 7 dated 20/23 rd August last re the result of my enquiry in respect of certain allegations of Syed Gouse SHakhadri and 7 others against the present Sajjade of the Sri Dattatreya Bababudan Peeta with regard to the management of the institution, I beg to state as follows :-

1. Syed Mohadin Padsha and several others who in their petition dated 12th September last alleged that the enquiry of the Sajjada made on the first occasion was not made in their presence were now enquired in the presence of the Sajjade on the 11th Nov. last at Attigundi and their statements recorded in detail.(vide pp 23 /3 in the enclosed Record).

2. In all their petitions to His Highness the Maharaja of Mysore and to the Dewan Saheb, the principal allegations against the Sajjade are as follows:-

(1) That the Government annual grant of Rs. 1200/ together with the sums received from devotees in the shape of "Kanike" etc is not being utilised for the management of the institution but spent by the Sajjade for his private purposes.

The petitioners have nothing on record to show that the Peeta funds are not being properly utilised. They were given an oppertunity to examine and scrutinise the accounts maintain

maintained by the Sajjade on 3-12-1913. Only two of them have appeared and stated in writing that they have nothing to disprove the Peeta accounts and that their sole aim is that the management of the Peeta may be corducted as in the days of Khan Bahadur Syed Gouse Shakhadri (the predecessor of the present Sajjade).

The Sajjade states that the funds are utilised for the benefit of the institution solely and whatever surplus there maybe will be spent for the repairs of roads etc on the Peeta for the convenience of the pilgrims.

(2) That the Sajjade does not maintain the musaferkhana at Attigundi (which is three miles from the Peeta) as his predecessors used to do.

The Sajjade states that the musaferkhana at Attigudi does not form part of the Bababudan Peeta, that this was originally (about 20 or 25 years ago) built by a Vaisya and that with his death the musaferkhana fell intc disrepairs and is now only a thatched hut and that he is responsible only for the maintenance of the buildings which appertain to the Peeta. This explanation of the Sajjade seems to be reasonable and satisfactory.

(3) That the present Sajjade has done away with the services of the Nazim or Agent unlike the previous Sajjades.

The Sajjade explains that as he is himself managing the affairs of the Peeta, he finds that the appointment of a Nazim to be unnecessary, and further that this is not a recognised appointment.

(4) Regarding the question of conduct of "Urus" annually at the Darga, the Sajjade has said that it conducted regularly every year as per usage without fail and the same is verified to be true by local enquiry.

(5) As for the maintenance of "Navabath Khana" the Sajjade explains that it was discontinued during the time of his predeceessors for want of musicians skilled in the art of conducting "Navabat" band. This is no reason to put a stop to this "Navabat Khana". The Sajjade must be asked to maintain "NavabatKhana" to keep up the grandeur of the institution as is the case in all such Mahamoden institutions.

(6) With regard to the allegation that the Musjid at Attigundi is in disrepair and not lit etc , I beg to state that I inspected the Musjid and found it to be in a fairly good condition. I also ascertained by local enquiry that it is being lit every day. The statement of the petitioners in this connection is far from the truth.

(7) As for the charge in re feeding the poor that visit the shrine of Sri Dattatreya Peeta, the Sajjade has proved

proved by the production of accounts maintained at the institution which show the number of the poor that are fed daily and the amount expended therefor. The petitioners have produced no reliable evidence to disprove or contradict these accounts in any way. In order to have an efficient check in this respect, I have issued orders to the Shekdar of Jagar Hobli to srutinise the accounts by frequent visits to the Peeta and report the results of his inspections.

I have also checked these accounts more than once. The number of pilgrims that were returning from the Peeta was verified with that entered in the account books and found to agree.

The accounts maintained at the Peeta are regularly kept and submitted to the Taluk Cutcherry every month. These accounts have also been examined by the Secretary to Government in the Muzrai Department and the Deputy Commissioner, Kadur District, on the following dates:

15th March 1908 by the Deputy Commissioner, Kadur Dt.
27th March 1910 by the Muzrai Superintendent.

3. The other allegations seem to be more or less frivolous since the sole object of the petitioners seems to be that the surplus of the Peeta funds ought to be divided amongst them all.- being the descendants of the Shakhadri Family.

That this Object of the petitioners is against principle

is evident from the tone of the Government Order No. 5 dated 24th November 1902 wherein the apportionment of Muzrai Devadaya funds among several persons is clearly forbidden.

4. In conclusion, I beg to state that the Sri Dattatreya Bababudan Peeta - a semi Hindu and Mahomedan Muzrai Institution is being satisfactorily managed by the present Sajjade as may be observed from the extracts of the visitors' book appended hereto and that the loud complaints of the petitioners against the Sajjade are from purely selfish motives."

Respected Sir,

In continuation of our humble petition of the 15th May 1913, we further beg to represent that we are descendants of Syed Sheik Jamaluddin the Ist Guru of the Pit - and the late Khan Bahadur Gouze Shah Khadri being the eleventh prodecessor to the present Sajjade . From time immemorial, the family members were allowed to enjoy the privileges and rights.

To our misfortune, the present sajjade has not only discarded us, but has also been mismanaging the affairs of the Darga on the Bababudan hills - that on an enquiry - the truth of the following facts willbe known as also the other state of the affairs of the Darga.

A. The institution is richly endowed with land and cash Inam by the benign Government of H.H. the Maharaja, so as to allow a surplus of over 1000 ruppes - to 1500 rupees.

The sajjade instead of utilizing the amount for the benefit of the Institution entirely uses for himself.

B. The Musaferkhana attached to the Darga has been levelled to the ground and no action is attempted by the sajjade to rebuild it.

C. The Pilgrims are not provided with shelter and food as usual - frustrating the very object of the Inam granted.

D. The Navabath Khana - which had been in existence from time immemorial has altogether been abolished - though the grant of the Inam lands of Surguppe is meant solely for the maintenance of this Navabath Khana with necessary establishment.

E.

19
2

E. Neither a priest is employed to conduct the prayers nor any provision is made for lighting during nights to the Musjid.

F. The Sajjade has abolished the appointment of manager to supervise the keeping of the accounts and the proper performance of duties.

G. The Sajjade has discontinued the writing of accounts in the books and registers supplied by the Taluk authorities and keeps the accounts at the will and pleasure of the Sajjade there being no establishment maintained for the purpose.

H. The present Sajjade does not render accounts of offerings made by the Pilgrims in the shape-gold and silver articles and also of sheep etc., the sale proceeds from these sources are also made use of for himself.

I. The Sajjade not being content with the income derived from the above sources which he makes use of for himself, the income of the Inam lands, the Cash grant of Rs. 100/- and the realization from Kanike,

J. Another duplicity he plays is that he takes permi$-$sion to cultivate lands on the score of making use of the income for the Darga and in course of time - sells- transfers and disposes of to other persons the income being similarly

used

used for himself.

K. His writing in the accounts of the number of Pilgrims during the rainy season ie., from July to October is false while there will ~~be~~ not be a single visitor.

L. The Sajjade will always be on circuit to prevail upon rich and charitably disposed people, for collection of subscription under the pretext of constructing a Musaferkhana and providing accommodation for pilgrims and for feeding them there being no such necessity, as the income derived admits of providing all that is necessary and even allows of some surplus.

M. His appointing foreigners to look after the affairs has rendered the minds of Pilgrims a sort of disrespect and disliking, thereby lessening the number of visitors.

N. There are circumstances which have forced us to approach you for an enquiry into these matters of mismanagement. The local Representative Assembly members who will be present at Mysore during the ensuing Dasara may be consulted with regard to our statement and whether there is actually any necessity for the appointment of Committee to manage the affairs of the Darga in view of fulfilling the object for which rich endowments are made to the Darga.

We humbly beg that you will, in the above circumstances, be pleased to order withholding the payment of the income of

17/4

the Inam lands, the ~~the income~~ management of which rests with the Government as also the cash grant pending investigation, till such time to prevent further misappropriation.

For this act of justice,

We ever remain,

Respected Sir,

Your humble and loyal servants,

Affairs of the Darga we may be permitted to state are going bad to worse and our cry for the management being conducted by a Committee in justification of our allegations have almost been of no avail.

We earnestly beg His Highness to kindly depute a special Officer to thoroughly investigate into the matter in consultation with the local men and planters having knowledge of rights of the Members of the family of Sajjades, and restore us to our former position.

May it please your Highness,

We the undersigned Fakirs most respectfully beg to state that we looked to the Durga of Lada Tpath Khalander on the Bababudin Hills, Chikmagalur Taluk and we used to gather in large numbers. It was a place of shelter and recreation by the facilities which your Highness' Government have afforded by endowing the Durga with a cash grant of Rs 100/- a month as also of extensive land Inam. The prestige of the Institution is being lost, day by day, as we see these six years that the gathering of Fakirs is very small and that too of local Fakirs. The reason that we assign by our personal experience that the treatment and comforts the Fakirs used to have during the time of the late Sajjade having been entirely quite the reverse there look this with contempt on account of the affairs that are going on there. We had made a similar representation and we see that no improvement has been ordered to be effected.

We earnestly beg Your Highness to order enquiry of the affairs of the Durga which are being mismanaged and to see that the prestige it maintains from time immemorial is not lost.

We pray God to give Your Highness long life and prosperity as this is the only Durga in the whole

1. It was ascertained during my enquiry that several Devadaya lands connected with the Peeta were made over to others (some of them being the present petitioners) by the present Layyada and his predecessors. The recipients of these Inam lands are enjoying the same by paying only the Jodi amount of 4 annas in the Rupee to Government and depriving the Peeta of the remaining twelve annas. The amount thus lost to the Peeta was Considerable. This being Contrary to the existing Mujerai Rules and the nature of the Inam tenure, the fact was brought to your notice through a special report no 1134 of 14th

November last and final orders obtained to recover the same from the parties and credit the same to the Melgerai ~ Institution. I have taken necessary action in the matter.
